Content

Forensic Investigations of Disasters

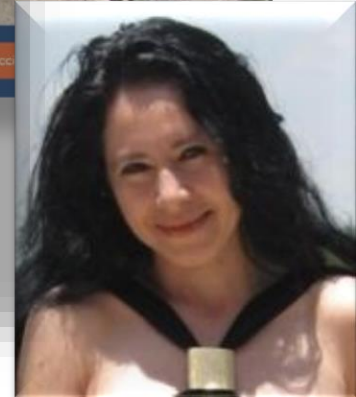

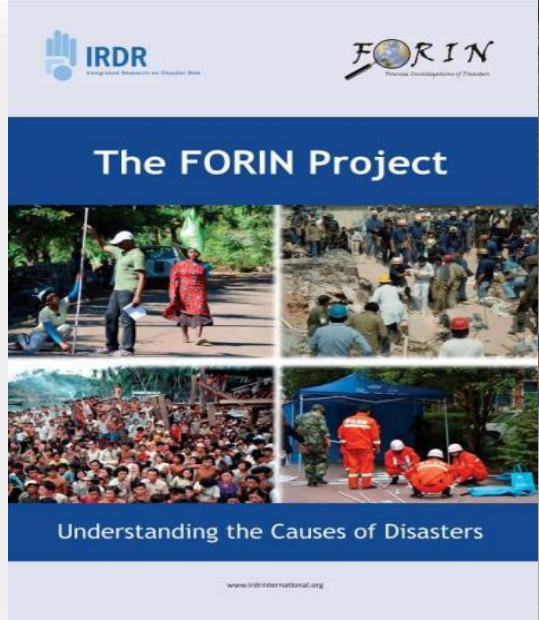

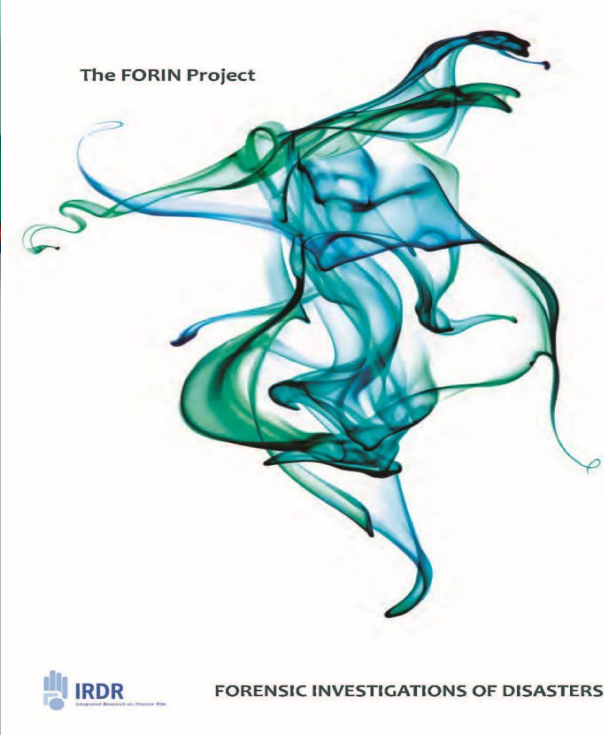

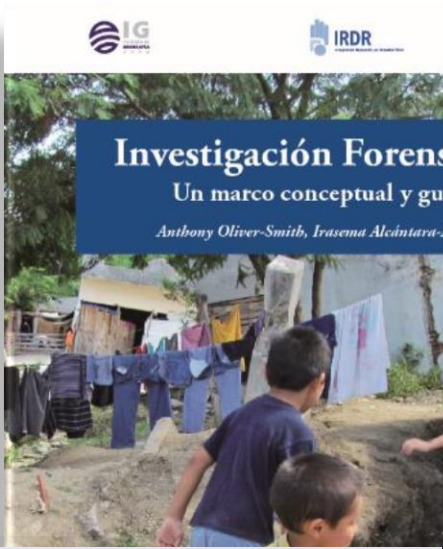

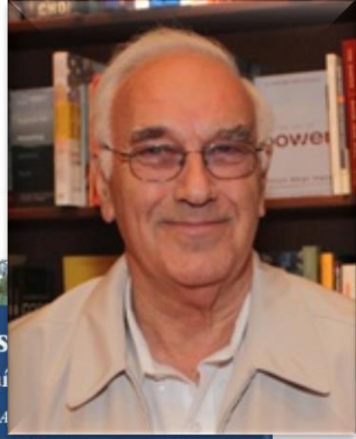

1. Updates of activities.
2. Plan 2018-2020.

FORIN Alumnae

Anthony Oliver-Smith,
Irasema Alcántara-Ayala,
Ian Burton and Allan Lavell

1. Updates of activities.

FORIN Book chapter

Oliver-Smith A., Alcántara-Ayala I., Burton I., Lavell A. (2017) A construção social do risco de desastre: buscando causas de raiz, In: Wisner B., Marchezini V., Londe L. and Saito S. (Eds.), Redução da vulnerabilidade para desastres: do conhecimento à ação, Rima, Brazil.

1st Reprint

Launching of “The Forensic Investigation of Disasters” (FORIN). This past January 25th, ICSU-ROLAC, along with the Ministry of Interior and Ministry of Environment from El Salvador, launched a book called “The Forensic Investigation of Disasters”(FORIN).

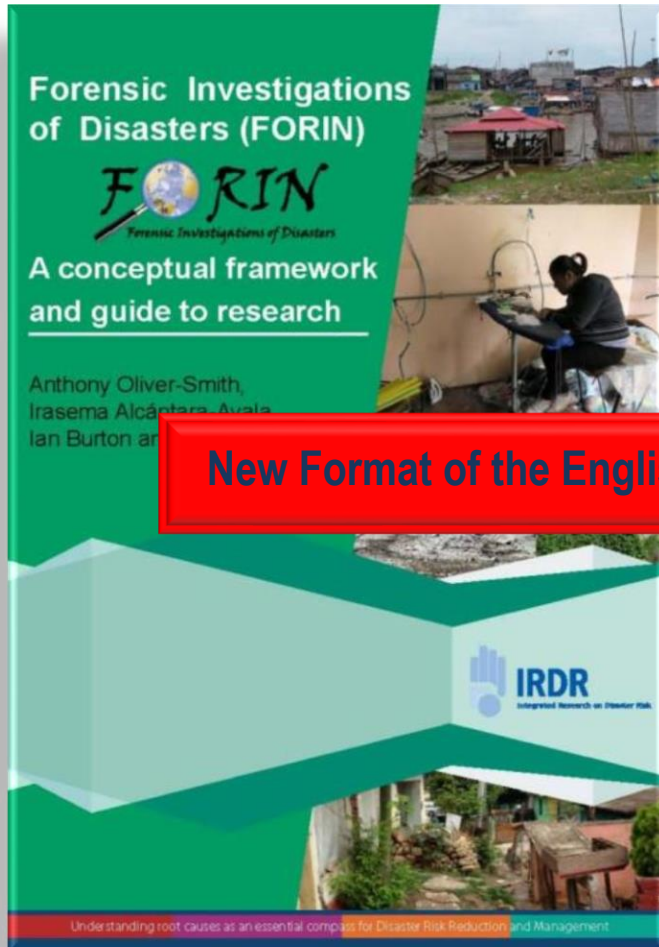

Rockefeller Center, Bellagio

Proposal in collaboration with Frank Thomalla (SEI)
Workshop on root causes of disasters

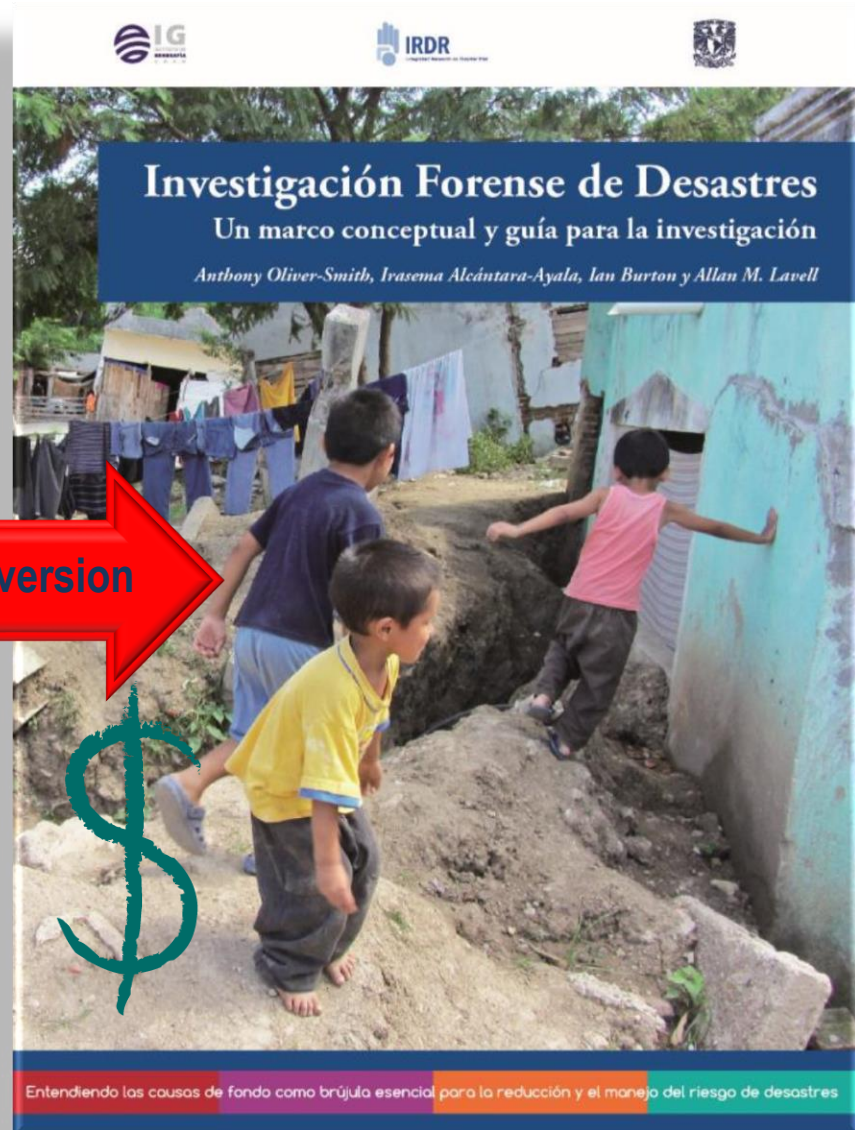

Bad news... **REJECTED!**

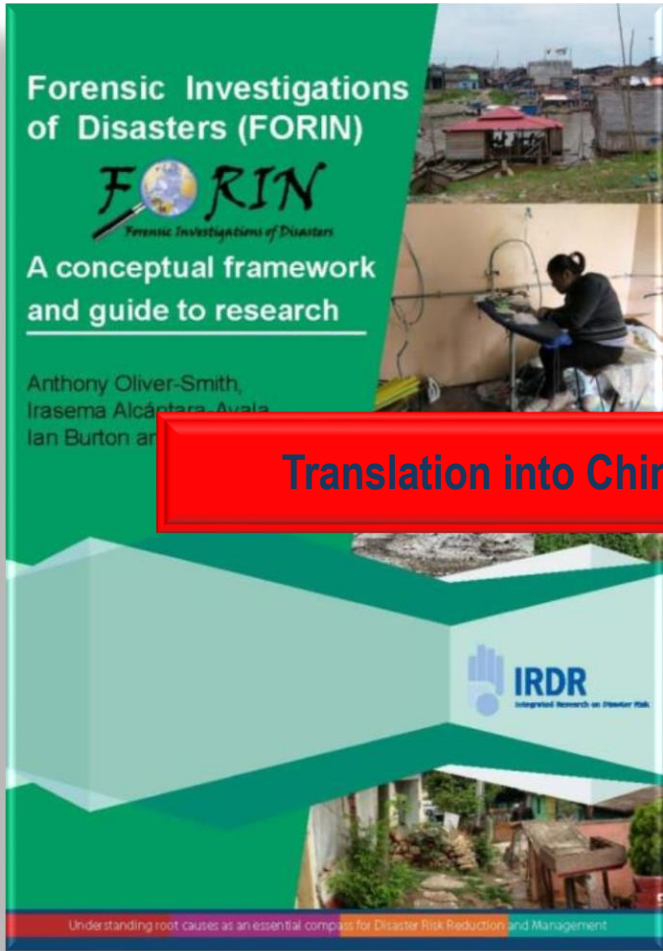

2. Plan 2018-2020.

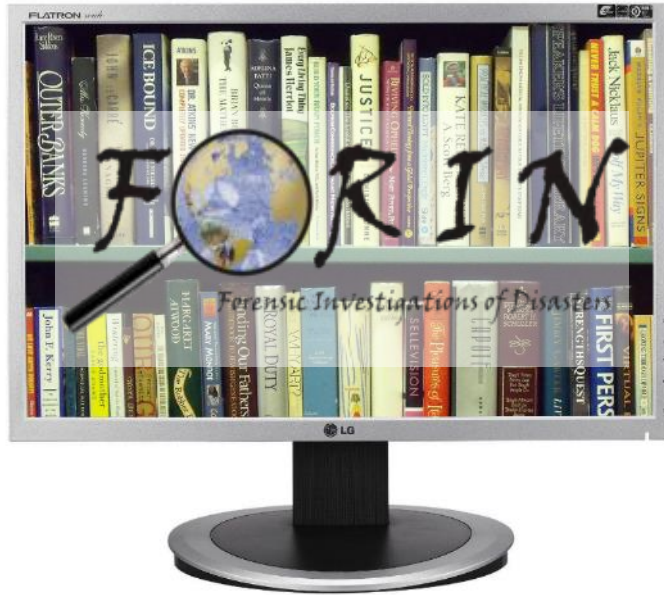

New Format of the English version

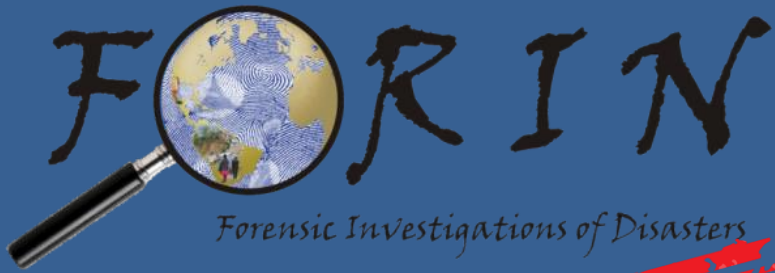

Translation into Chinese

Oxford University Press- **FORIN** online handbook.

URGENT

Defining the new members of the IRDR-SC, who will be interested in FORIN...

Objectives

FORIN alumnae will continue working to disseminate the FORIN approach, particularly in Latin America.

Activities of new members of the SC: *to be defined by them*

Plan Activities

FORIN alumnae will continue trying to organize a workshop, but there are no clear sources of financial support to do so...

Activities of new members of the SC: *to be defined by them*

Deliverables

To be defined new members of the SC.

Support Needs

- FORIN alumnae request support for the activities associated with the translation of the FORIN publication, from English into Chinese.
- **Financial support to organize workshops.**

Thank you...
