UNU-IAS

WORKING GROUP ON DRR, CCA, SDGs

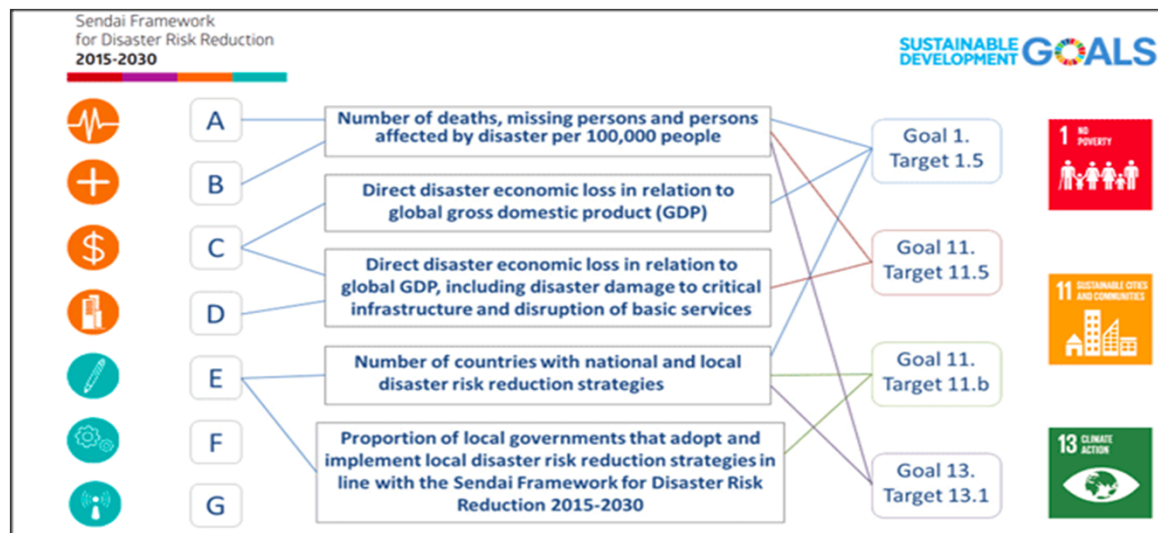

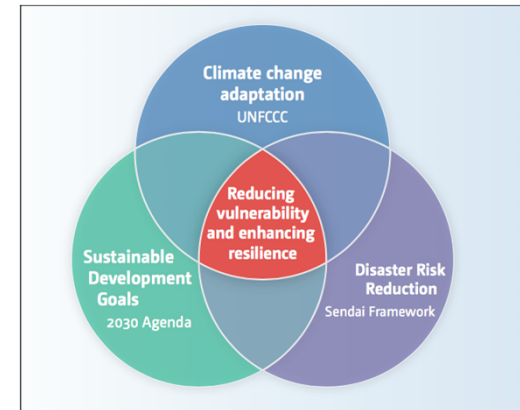

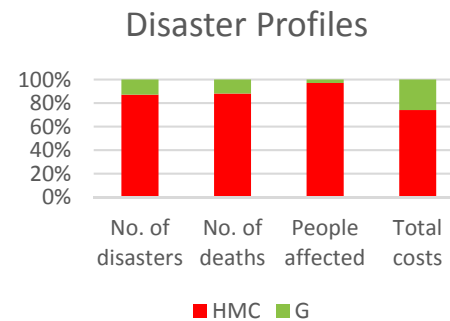

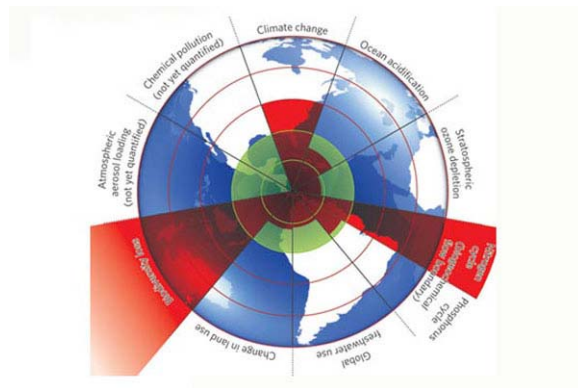

PROF. RAJIB SHAW, DR. RIYANTI DJALANTE

Outline

- Rationale
- Key Activities
- Deliverables
- Collaborators

Rationale

Key Activities

- Develop of blue-print of research agenda on the integrated approach of DRR-CCA-SDGs 2018-2020
- Strengthen of scientific networks and formation of community of practice especially within the developing countries context. Existing networks related to DRR-CCA-SDGs will be identified and approached to enable better connections. It will also plan for better engagement through online conversation/collaborations/knowledge sharing
- Involve with key and strategic political events, flagships and scientific conferences to introduce and advance the agenda
- Work closely with two or three relevant ICoEs to foster partnerships
- Involve IRDR Young Scientists in capacity building programs of research and scientific writing on DRR-CCA-SDG

Key Activities

- Conduct research activities and publications, particularly related to:
 - Harmonization of targets and indicators within the DRR-CCA-SDGs frameworks,
 - Review of governance approaches and solutions scanning in dealing with DRR-CCA-SDGs
 - Documentation of emergent innovations at the local level, by non-traditional actors such as local communities, SMEs, NGOs in dealing with impacts of climate risks and at the same time, advocating for and creating better/expanded livelihood strategies
 - Review of cities progress and programming at city level and innovative governance approaches by which they integrate DRR-CCA-SDGs.

Deliverables

- Blue print of research agenda between 2018-2020 (Mid of 2018)
- Publications of research activities, as reports, academic articles, policy briefs, and video interviews (2018-2020, 2 publications /year)
- Formation of scientific network and online community of practice on DRR-CCA-SDGs particularly within the region of Asia, and Africa (early 2019)
- Participations in goal and target harmonization for SFDRR, PA and SDGs, by UNISDR, and engagements key political events and scientific conferences per year (2 / year)

Collaborators

- Co-Chair: Riyanti Djalante and Rajib Shaw
- Members: Shuaib Luwasa, Wei-sen Li, Jana Sillman, and any other interested SC members
- Collaborators: Joy Pereira (ICoE in Malaysia), Emily Chan (ICoE in Hong Kong), Frank Thomalla (ICoE in Thailand), Ailsa Holloway (ICoE in South Africa)
