

13th Meeting of the IRDR Science Committee
Ocean University of China, Laoshan Campus, Qingdao
Shandong Province, China
1-3 June 2015

Agenda Item 12: Reports / Previews from ICoEs:

Reports will be given by representatives / chairs of the ICoEs in the simplified reporting / presentation format circulated prior to the meeting:

- IRDR ICoE-Taipei
- ICoE VaRM
- ICoE-CR
- ICoE-UR&S
- ICoE-REaL
- ICoE-RIA

The focus will be on past, ongoing and planned activities, and opportunities for cross-ICoE (or more generally, cross-programme) collaborations.

The presentation is both for information, updating and reviewing purposes, so as to assess the progress and role played by ICoEs in supporting and expanding the IRDR programme.

Attachments:

- 12.1. Terms of Reference for IRDR ICoEs
- 12.2. ICoE Guidance Note
- 12.3. IRDR ICoE-Taipei: Presentation for IRDR Science Committee and Co-Sponsoring Organisations

Actions:

- 7.1 The SC is invited to note the reports, to comment on the progress of the ICoEs in the context of the Programme, and to make recommendations, if appropriate, as to steps that can be taken to enhance the coherence of the ICoEs with activities within the programme, including, but not limited to, WGs, NCs, etc., as well as between IRDR and partners.
