- \* An Oversight Committee proposed – TBC

- \* Reporting mechanism proposed – TBC

ED-IPO suggests to make the machine simpler:

- IPO under SC to prepare annual report to co-sponsors and to the host
- Co-sponsors, Host, SC Chair and IPO each appoints a focal point for **regular** contact (teleconf. bimonthly)
- Improving NCs and ICoEs reporting and exchange
- SC to consider reviewing IRDR publications, WGs output and YS proposals
